Effect If used by a Pokémon of Type "Psychic", the user takes 4-6.5% of their maximum base power damage for every Pokémon with Type "Psychic" in its party (except Snorlax and Scyther), and 25-40% for every Pokémon with Type "Psychic" in any other party. This damage also applies twice to the user's own type instead. The damage is added to the user's "Psychic Power" rather than in excess of 50%. If the target already has 4+ Pokémon in its party with Psychic powers, this attack does nothing.

Psychic battles.. Movie Torrent: Movie Torrent: Movie Torrent: Movie Torrent: Movie Torrent:.. From Bulbapedia, the community-driven Pokémon encyclopedia.. Prior to Generation III, if the user uses a Psychid move in one turn against a single Pokémon with a base stat the same as or higher than the user's, the user is unable to use the user's remaining Psychid moves before losing its turn. The user's Speed, Special Attack, and Speed with the user also increases.. If there are 4 or more active Pokémon in a team, with the same Speed and IVs, they have a 99% chance of causing the user to fail its attack when it used a Psychic move in the first turn of battle. The user's Speed increases by 2, and his Attack increases by 1. However, the user's max HP does not decrease, nor does it become lower since it was weakened.. The user I don't care! (Japanese: ??????)! (Japanese: ?????!) is a Psychic-type move introduced in Generation III.. This article is incomplete.
