## About This Game

### Story

Once upon a time, there was a great tower in the sky. People were mining crystal with delight during the prosperous days. Until that disaster happened..... Time past, the history had been forgotten. And now, it emerged from the clouds again – the sky tower.

### Game

Reveal the story of the sky tower!

Forward to the Sky is a third person action adventure game in the sky tower ruin. You are going to collect all the crystal pieces to connect the story and everything will be revealed once Princess reaches the top level.

### Feature

Puzzle platforming, a game features a mixture of puzzles, action and adventure. Relaxing mood, bright art, adventurous but peaceful music, simple control and combat. A game everyone are able to finish and provides additional fun of difficulty to hardcore players.

---

There are 6 unique levels to be explored. Battle the elements, run through the traps and play with interactive mechanisms to solve the puzzles. Find your path to discover the story in the sky!

English,Japanese,Simplified Chinese,Traditional Chinese

The crystals remember the Sky Tower.  
It seemed very prosperous.

---

Foward to the sky is a anime hack 'n' slash game, that is a really cool demo right there it seems to be a really straght foward game, totally recommended.

- +good controls
- +awesome soundtrack
- +cool main menu

10/10
